

McLEAN ELECTRIC

SCHOLARSHIP

McLean Electric will give a \$500 scholarship to one student who is enrolled or planning to enroll in a full time graduate or undergraduate course of study at an accredited two-year or four-year college, university or vocational/technical school.

WHO IS ELIGIBLE?

Students who are members of McLean Electric, or children of members of the Cooperative are eligible.

Children of employees and directors of McLean Electric **are not** eligible.

The \$500 scholarship will be given without regard to other awards, loans or financial assistance the winner may have obtained.

HOW IS THE WINNER SELECTED?

The Cooperative will choose a winner based upon completion of the essay question.

HOW CAN I APPLY?

To apply you must complete the required criteria and application form. Applications must be received at McLean Electric's office no later than **February 24, 2017.**
