## 2014 McLean Electric Rebate Agreement

- 1) McLean Electric will offer the following rebates for any Marathon water heater purchased through the Cooperative
  - a. 50 gallon - \$225
  - b. 85 gallon - \$250
  - c. 105 gallon - \$275
- 2) In order to receive the rebate the Member must agree to:
  - a. Allow a Load Control Receiver (LCR) to be installed (Supplied by the Coop)
    1. The LCR will control your water heater according to the Coop's peak shaving Schedule.
      1. The Member will receive a \$7.00 bill credit every month their main meter uses at least 600 kWh's.
      2. It is the Member's responsibility to have an LCR installation scheduled with the Cooperatives electrician.
      3. The Member agrees to this program for a period of five (5) years.
        1. If the member wishes to discontinue the program prior to the five years from the date below, they must reimburse McLean Electric for all costs of the Marathon water heater and any rebates or fees associated with its removal.
- 3) Marathon water heaters have a lifetime tank warranty\*
  - a. \*Privately owned, single family dwellings: the tank is warranted not to leak: "for as long as you own your home." If the home is sold, the warranty converts to 15 years from the date of manufacture. Parts are warranted for 6 years from the date of manufacture.
  - b. All warranty claims are the responsibility of the installer.

### Indemnity & Hold Harmless Agreement

Member hereby agrees to indemnify and hold MEC harmless from any and all Claims, complaints, lawsuits, arbitration proceedings, administrative proceedings, warranty disputes and any other adversary matters relating in any way whatsoever to MEC's performance or non performance under or pursuant to this contract, or related to MEC's actions or inactions at the job site. This provision shall protect MEC from any and all personal injury, workman's compensation, wrongful death, unemployment, discrimination, breach of warranty, negligence, strict liability, breach of contract, and any other claim arising from the performance or nonperformance by MEC and/ or any person of firm acting at MEC's behalf, including but not limited to MEC's employees.

### **Please allow 4-6 weeks for processing.**

Please Call (701) 463-2291 or (800) 263-4922

McLean Electric Cooperative

Attn: Darrin Sand

To Schedule your inspection

**Sections "Recipient Information," "About Your Home," "New System Details" along with an original invoice and ENERGY STAR documentation are required to qualify for the rebate. It is the Members responsibility to provide this information to the Cooperative. Rebates are based on one rebate per account, but bundling of heating equipment with a water heater is allowed.**

**Programs are subject to change without notice, contact the Cooperative for current program information.**
